INFORMAL WEDDING CEREMONY AND RENEWAL OF VOWS

The most popular type of wedding at the hotels! Exchange your vows under the azure skies beside the turquoise seas in Crete.

The hotel can organize a special ceremony to exchange vows of eternal love or renew your promises as a couple. From simply the happy couple to the whole family in attendance, the choice is yours!

It is so simple to organize an informal ceremony, choose the date, the venue and the details, there is no paperwork required.

The Informal Wedding Certificate is not a legal certificate of marriage.

"...From this moment on, you are united of your own freewill as man and wife.

It is your duty, to love honor and be faithful to each other for as long as you live.

As man and wife, you have a common destiny.

As equal partners, you will face together whatever married life and life in general may bring your way. Together, you will have to bear the responsibilities of married life and of bringing up the family you will create.

And finally, you both have a joined duty and the right to ensure the welfare and up-bringing of your children, so they will grow up as free persons and good responsible members of society..."
