## The Relics Gallery of the Olympic Games

THE RELICS GALLERY OF THE OLYMPIC GAMES, A UNIQUE MUSEUM IN KALAMATA

Elite City Resort Hotel hosts the Relics Gallery of the Olympic Games in a specially designed place inside the hotel, which reminds you of a museum. The gallery is unique in Greece and visitors can exhibit very exclusive items from the modern Olympic Games.

It is one of the greatest private collections in the country with most of the items brought from the personal collection of Mr. Tasos Papadopoulos and has been strengthened with personal items of the Greek Olympic contestants, which were genuinely given by their club.

The gallery is hosted at the hotel since April 6th, 2013, and more than 6.500 people have visited it up until today. Visitors, politicians, famous people as well as students are some of the people who have enjoyed their visit so far.

The gallery itself is divided into 6 different sections.

The first section hosts 16 Olympic torches, dating back to 1936 including the one from Berlin and London.

The second section hosts 4.750 Olympic pins, out of which 3.000 are taken from the Olympic Games in Athens in 2004. Some of these pins constitute a complete line and are of exclusive value.

The third section consists of Olympic tickets both from the winter and the summer Olympic Games. Tickets that date back to 1900 from the Olympic Games in Paris and the daily games schedule, which date back to 1932 up to today.

The fourth section consists of rare photographs taken from Athens from 1906 up to the present moment. One can see great personalities in these pictures throughout all these years.

The fifth section hosts personal objects from Olympic and Paralympic athletes. There are also uniforms from torchbearers from 1996 until 2012.

The sixth section hosts books based on Olympic Games, which also date back to 1932 up to today and are of great value.

### **Sports Facilities**

For lovers of fitness and swimming, there are available tennis and basketball courts, free diving in an Olympic size swimming pool and beach with safe access and full provision of equipment. In addition, there are endless well cared gardens, within which a walk turns into an earthly Paradise, between the rich floral kingdom there.

The beach and the swimming pool are operated from 01/06 until 30/09.

For our young heroes, there is a playground for safe and endless hours of playing, allowing parents to be carefree, while enjoying their stay in Kalamata.

### **Conference and Corporate meetings, at the luxurious complex of convention rooms at Elite Blue Conference Centre.**

Elite Blue Conference Centre, the spacious and luxurious conference center of Messinia, is part of Elite City Resort at Kalamata. Elite Blue Conference Centre is located in a separate area, directly across from the main building of Elite City Hotel. It consists of eight (8) interconnected conference rooms, which can accommodate from twenty (20) up to fifteen hundred (1500) people, in a total area of five thousand (5.000 m<sup>2</sup>) square meters. The modern premises can be adapted to particular needs, corresponding to the current demands of conferences and are equipped with up-to-date technological facilities. All kind of conferences may be held on the premises of Elite Blue Conference Centre, since our staff and our facilities meet the most demanding needs.

### **Specialized services covering conferences and receptions for all your social and professional moments.**

Elite Blue Conference Centre serves not only conferences, but also undertakes to support the participants at their breaks during the conference, offering them coffee and snacks or even after the end of the conference, by organizing receptions, dinner or parties, at our outdoor area, at the roof garden or even at the surrounding area of the pool.
