The Coriva Beach by CHC Group, built on one of the most beautiful beaches on Crete, provides supreme hospitality for those who adore natural beauty and traditional, welcoming facilities. It is situated just 9km east of Ierapetra, the southernmost town in Europe, in a location where the sun is ever present. The captivating view of the Libyan Sea and the endless beach, which was honored with the Gold Award 'Quality Coast Award' for 2015 by the International Quality Coast Jury, more than justify every visitor's decision to stay here.

The hotel offers relaxing, restful holidays, combining a warm atmosphere with the renowned Cretan hospitality. The rooms are spacious and elegant, and afford a balcony overlooking either the gardens or the sea. Moreover, all the rooms are equipped with a telephone, a refrigerator, air-conditioning and a safe. Family rooms are also available at the hotel. Complimentary Wi-Fi Internet access is provided throughout the premises.

For those who wish to sample Mediterranean cuisine and the Cretan diet in particular, the Coriva Beach by CHC Group restaurant as well as "Pelagos Seaside Restaurant", located on the beach, offer an exquisite variety of traditional delicacies, cooked using local ingredients, which are largely our own produce.

The surrounding area is ideal for day trips and walks or for hiking.
