Our Story & Philosophy

Scala Hotel Apartments has been shaped by **three generations of the same family**, combining a rich heritage with modern sophistication. Established over 30 years ago and reopening fully renovated in 2025, the hotel retains its soul while embracing contemporary luxury.

Our guiding philosophy is to provide a **home away from home**, offering exceptional service in a relaxed, welcoming, and genuinely personal atmosphere. **Authenticity, sustainability, and excellence in simplicity** guide every detail of the experience we offer.

Our Name & People

The name *Scala*, meaning “stairs” in Greek, reflects the hotel’s design across multiple levels connected by terraces and stairways, symbolizing **both the journey of the hotel and the unique path of each guest**.

Our team embodies **warmth, dedication, and local knowledge**, ensuring every interaction is guided by care and discretion. Hospitality at Scala is a shared commitment passed down through generations, with every staff member contributing to **memorable experiences infused with genuine Greek hospitality**.
