

MANOS PALACE - HOTEL DESCRIPTION

The complex was built in 2001 and has official rating of 4 stars. It consists of 10 apartments and 9 studios, which are designed with a modern style and are fully furnished. In all rooms, guests can use the tv, air-condition, wifi internet, refrigerator and a fully equipped kitchen. Even though the complex is located close to the most beautiful beach in Bali, guests can also use the pool, which is divided in two parts, the one specially modified for children for safe swimming. Next to the pool and on the upper floor there are many sunbeds with beach umbrellas and pool showers.

On the upper floor, guests can visit the roof garden of Manos Palace's renting apartments and enjoy both their breakfast and coffee, refreshments and ice creams all day, while enjoying the remarkable view and one of the best sunshines of Crete. You can have access to all the floors and the roof garden using an external elevator.

Our hotel is located at the top of the village at the most beautiful place of Bali, just 50 meter from the beach. Quiet and ideal for families and couples, it can provide the ultimate accommodation. In a short distance from the center, it offers a peaceful and friendly stay. Furthermore, there is parking space for all our guests.

Next to our apartments you will find a clinic, a supermarket, a rent-a-car and excellent seafood restaurants and taverns. Near Bali is the monastery of St. John with beautiful ancient frescoes in the church of the monastery. Less than 4 kilometers away from Bali you can also visit the church of Panagia Charakiani.

Location

Approximately 28 km from Rethymno and 50 km from the city of Heraklion, this fishing village has transformed into a seaside resort with a glorious past. My name means honey, and the Venetians called Atali, the ancient name was Astali. There Atali Monastery nearby, keeping the medieval name of the place. It is built on an elevated peninsula, thus overlooking the bay and the sea.

With a small port, cafes, restaurants, snack bar, with good accommodation and three beaches on three small bays offers very good environment for your holiday, though the old visitors insist that, before, was more picturesque. In summer you can make excursions to Rethymno by water taxi. Of course, we can do trips to the mountains to the south, must be visit the Ideon Andron, the cave where, according to mythology, Zeus was born, chased by his father, Cronus. According to legend, the mountain located south of Bali, is the mountain of Zeus, in return for protection received, gave the Cretans mechanical giant Talos, to guard the island from invaders.
