

COSTA LINDIA BEACH RESORT - HOTEL DESCRIPTION

Our waterfront property is a premium all-inclusive resort, located on the southeast side of the island of Rhodes, in the Liotharica region of Lardos beach.

Built as a small village, its exterior facades are structured in the genuine traditional Aegean style, various types and colors of stone, pure white surfaces, multi-faceted levels, terracotta roof tiles and wooden details, plus an amazing pool with small bridges, rivers and waterfalls, that stretches around the resort.

In the interior spaces, elegant and comfortable furniture with earthy and pastel-hued fabrics are an invitation to unwind and relax.

All in all, the Costa Lindia Beach is the perfect combination of island ambiance, high service and discerning standards.
