Some of our rooms offer a fantastic view of the Aegean sunset, some others have their own swimming pool while others offer pool view, or overlooking our colorful gardens.

In the room major free services for our guests:

Coffee and tea making facilities, beach towels, safe deposit box, high speed Wi-Fi internet access, and one bottle of Cretan water is offered as a warm welcome for your first day with us.

Food and Beverages:

Lavris Hotels & Spa combines high culinary quality with excellent service in a relaxing and cozy environment.

We at Lavris hotels & Spa pride ourselves in our commitment in keeping up with the highest standards in hygiene and food safety.

In order to ensure hygiene and food safety for our guests, since 2018 our hotel will apply to Food Safety Management System (HACCP. Hazard Analysis and Critical Control Points) based on the Codex Alimentarius standard. In the context of verifying the effectiveness of the system, we perform periodic microbiological and chemical analysis of food, drinks and waters in a collaborating accredited laboratory.

Our commitment in the attention to detail is a basic ingredient in providing delicious dishes from Greek and International cuisine accompanied by a bottle of wine from our local and regional selection.

Indoor or outdoor seating is available for your breakfast, lunch and dinner. We support the local market using Cretan products like vegetables, fruits, eggs, deli meat etc. Additionally extra virgin Cretan olive oil is widely used in our kitchen. We have our menu redesigned, so as to cater for different culinary desires and dietary needs. Our restaurant staff and the chef with his team will be happy to assist you with any special dietary requirements. (Extra charge may apply)

“ERONTAS” Restaurant

Welcome at “Erontas” which means “in love” in Greek. Start your day enjoying our rich breakfast buffet, ask for your favorite omelet and we will prepare it in front of you at our Action Cooking station. During lunch usually people prefer something light so part of our Buffet is loaded with Fresh salads made from Cretan greens and vegetables. On the other hand plenty of delicious food (8 different dishes and main dishes plus 2 in action cooking station), fruits, ice cream and sweets, are present for everyone to enjoy. Dinner in Greece, from the ancient times till now is something very important. It is an act that brings together friends and family. So, we in Lavris hotels & Spa following this idea, offering a wide selection (15 different appetizers and main dishes plus 2 in action cooking station) of hot and cold food, carefully prepared from our chef and his team, are trying to fulfill your culinary needs and expectations. Additionally in our Cretan corner you can find food made according the “Cretan diet” and tradition. Our maître and his staff welcome you there, offering TABLE SERVICE for all drinks and beverages. Moreover, in order to enjoy different culinary experiences, food theme nights are offered.

“KRITAMOS” Certified Cretan ‘WE DO LOCAL’ a la carte Restaurant

You may also visit our newly opened Cretan a la carte restaurant with Mediterranean cuisine (which is awarded with the ““We Do Local”” certificate, for the CRETAN CUISINE. In order our guests to taste local food and ingredients, we offer a free a la carte set menu dinner upon reservation. Additionally, you can enjoy our Cretan Breakfast according to “we do local” concept, also free of charge, upon reservation.

“AGIAZI” Pool / Snack Bar

Open day and night, offering table service, in a modern and cozy atmosphere. A rich selection of local and branded teas, coffees, juices, and delicious cocktails are available for our guests to enjoy. Additionally during the day, guests can enjoy our fresh homemade pizza prepared on the spot by our pizza chef as well as fresh salads and snacks. Before lunch a complementary refreshing fruit plate is served around the pools. Day and night our animation team ready to entertain you while enjoying your favorite drink, a delicious cocktail or even joining in their show.

Lavris hotels & Spa Sustainable practices

Reducing water and energy consumption

It is widely known that renewable energy contributes to the improvement of the environment. Taking the above in to account we installed Solar panels in order to heat all the water needed in the hotel. In this way, we have plenty of hot water from the sun avoiding the use of 6.000 lt. of LPG per year.

Recycling

Recycling has always been an essential part of the environmental awareness of Lavris hotels & spa. All recyclable materials are collected and sent for recycling.
